● Career Objective:

As a recent Interior Design graduate, I bring a strong foundation in design principles, spatial planning, and user behaviour. With a keen eye for materials, aesthetics, and functional balance, I strive to create spaces that enhance user experience while supporting efficient project execution. My goal is to align design intent with real user needs to deliver meaningful, inspiring, and well-crafted interior environments.

● Educational Details:

B.Voc. Interior Design

2023-2026

Dezyne École College

Vishwakarma skill university, Jaipur

A (Till 5th Sem), Pursuing

Bachelor Of Commerce (B. Com)

2020-2023

Maharaja Ganga Singh University Bikaner

Score-68%

Senior Secondary School,10+2, Commerce

2019-2020

Shri Jain Adarsh Vidya School Nokha

77.6%

Projects:

● Residential Project Portfolio:

I successfully completed a residential design project by integrating concept development, detailed planning, and spatial strategy. The process included the creation of detailed drawings, layout planning, and realistic renders— all aligned with the design goals and user needs.

You can explore the complete project on my behance profile:

[Residential space planning project](#)

● Minimal Living Space:

Designed a minimal modern living space with a focus on functionality and sustainability. Created detailed layouts, drawings, and 3D visualizations, incorporating natural materials and biophilic elements.

You can explore the complete project on my Behance profile:

Biophilic minimal living :[A modern sustainable space](#)

● 2BHK Apartment:

Designed a contemporary 2BHK residence for a young professional couple, focusing on spatial efficiency, privacy, and modern living.

Delivered detailed planning and high-quality 3D visualizations

You can explore the complete project on my behance profile:

[2BHK Apartment project](#)

● Hospitality Design

Conceptualized and designed a 600 sq. ft. café in an urban mall environment, focusing on spatial efficiency, customer flow, and experience-driven design. Delivered strategic zoning, detailed layouts, and a cohesive material palette to create a refined, contemporary café atmosphere.

You can explore the complete project on my behance profile: [Taffeta café design project](#)

● The Rajputana's Villa

Worked on the design of a Rajputana Villa, deriving inspiration from vernacular Rajasthani architecture. The project involved space planning, zoning, and material exploration tailored to an elite client, with a focus on climate responsiveness, spatial experience, and detailed interior development.

● Assignment Folio 2 Year (Best Work):

With 2 years of focused experience, I've developed strong skills in architectural and interior design, including AutoCAD 2D, detailed planning, and ergonomic space design. My work combines technical precision with creative concept development, supported by material research and design history exploration.

You can explore the complete project on my behance profile: [2 Year Best Work](#)

● Assignment Folio 1 Year (Best Work):

Over 1 year, I built a strong foundation in design elements, construction techniques, and material understanding, applying them through Adobe and SketchUp models. My work focuses on ergonomic, anthropometric-based space planning and developing core design thinking.

You can explore the complete project on my behance profile: [1 Year Best Work](#)

● Extra-Curricular Activities:

- Secured 2nd Position for Best Presenter in Identity 2023
- Secured 2nd Position for Best Presenter in Identity 2024 " Awarded by Dr Dev Swarup Ji".
- Secured Medals in Annual College Sports Day 2024, 2025, 2026
- Participated in College Cultural Event Kaleidoscope 2024, 2025 and other cultural events.

● I hereby declare that all the information is accurate and true to my knowledge.
